313.9	Disorder of Infancy
314.x	Attention Deficit Disorder

### SEVERELY EMOTIONALLY DISTURBED

In addition to the above diagnoses, children and adolescents under the age of 18 can qualify for parity if they meet the criteria for Severely Emotionally Disturbed (SED).

Providers who believe their patient meets SED criteria must contact College Health IPA (800-779-3825) and ask to speak with a case manager to review clinical criteria and SED eligibility.
