

Attention CHIPA Providers!

The companies listed below have agreed to offer their products and services at reduced rates to CHIPA Providers. As part of the College Health IPA Provider Enhancement Program, we are pleased to introduce you to these companies. As you know, this is a new program for College Health IPA. Your feedback will be very valuable. Let us know of your experience when working with these companies. We appreciate your participation in our network and hope that this program will be of benefit to all of you who participate.
